WELCOME TO OUR SERVICES

INTRODUCTION

Welcome to Novasphere Billing Services. We partner with healthcare providers to deliver accurate, efficient medical billing and revenue cycle support. Our goal is to help you focus on patient care while we handle the financial details.

WHAT WE DO

We offer end-to-end services, including:

- Medical billing and claims management
- Denial follow-up and appeals
- Eligibility verification
- Credentialing support
- Detailed reporting and analytics

OUR PROCESS

1. Onboarding and Setup We collect the necessary information to set up your account and systems. **2. Claims Management** Your claims are submitted, tracked, and followed up consistently. **3. Reporting** You'll receive clear monthly reports summarizing all billing activity. **4. Ongoing Support** Our team is available to answer your questions and provide guidance as needed.
